

Original Demolition Power™

When true effectiveness is spelled s-a-f-e-t-y

With more than 6,000 Brokk machines in use worldwide, this remote-controlled little giant has set a new standard for efficient, cost-effective work where power and accessibility is a difficult equation to solve. With its jaw-dropping reach, flexibility and hitting power and with the operator on a safe distance from the action, it maximizes effectiveness and minimizes injuries. Perfect for profitable mining projects.
